

**Pathway Community Church
Hands and Feet Camp
Community Summary
2021**

Since 2006 the Pathway Community Church in Mancelona has partnered with the community and provided an opportunity for teens/families to deepen their understanding of citizenship and community. Communities thrive when we all pitch in together and work toward a common goal. Throughout the year we set aside time for our teens and adult sponsors to form work teams and learn lessons in working together as citizens and members of a community. The work teams will be engaging in work projects in the Mancelona area. This desire to help is born out of a love for God which is reflected in the way we love each other. To make this happen, we need your help.

How You Can Help!

Perhaps you have projects that, for either lack of time or resources, you have not been able to complete. We would like to help! The types of projects our teams are looking for include yard work, painting, general home repairs, wheelchair ramps, winterization, safety improvements, etc. As a thank-you for providing us with a project, Pathway and community partners will work to provide as much of the needed materials as possible. Please keep in mind that if there are too many applications we may not be able to complete all the projects at this time. If you are able to provide us with a project please complete this **"Home Participation Request"** form. You can also submit a form on our website, pathwaychurch.today Completed requests will be processed and you will be notified if we have enough people and resources to complete your request. We thank you in advance for helping us use our "Hands and Feet" to strengthen our community!

Home Participation Request
2021**

Thank you for taking the time to participate in our *Hands and Feet* program. Please keep in mind that submitting a request does not guarantee that we will have enough workers to complete your project but we will do our best to help.

Once we receive your request you will be contacted by the church to schedule a project review at your home. We will let you know if we will be able to partner with you in your project.
